

Snow Canyon High School

School Community Council Candidate Form^(updated Aug. 2018)

Serving on the School Community Council

Serving on our School Community Council is a wonderful way for parents and teachers to contribute and help improve academic performance at our school. Every year our school receives an annual dividend from the school land trust and our council decides how these funds will be allocated. This year our school received approximately \$115,000.00 from the School LAND Trust Program. The council also reviews academic plans for our students each year and acts in an advisory capacity to school administration. All plans are submitted for final approval to the school board.

Qualifications

Every public school in Utah has a School Community Council. The councils are made up of school employees and parents who are elected by parents of students who attend SCHS. Membership terms are for two years. Elections are held at the beginning of each school year. Parent members must have a student attending SCHS at least one of the two years of their term of service. Employees must be employed by the school district at SCHS.
