Andrea Schmutz motioned Angie Staheli as Vice Chair. Kayde Hale seconded the motion. Voting was unanimous.

Discussion:

Asked for approval to send out (1) parent survey for our cone site schools in place of the state survey. This would help parents that had students in multiple schools. All were in agreeance.

Reviewed last year's expenditures. Kyle Campbell explained that unused money from Certified Salary was used under Supplies- Technology to purchase more Chromebooks.

Jamie Kreyling went over digital safety. All info can be found on the district website on what is filtered and how we protect our students. Information on the school districts plan to teach students to be responsible internet users is also found on the link below.

Kim Monkres explained that the district was interested in our school being a one-on-one.

Kyle Campbell reviewed the WOW cards that they started to give out this year. That the wellness room is open Mentor program has started meeting and is going strong.

Kim Monkres brought up some faculty concerns with being on our 5 by 5 schedule. Provided printout of Pro's and Con's. All members are in favor to explore the possibility of changing to a 4 by 4. Discussion on schedule will continue at next council meeting.

Andrea Schmutz motioned to adjourn the meeting and Kyle Campbell seconded the motion.
