

# ALEKS Math Placement Test for Utah Tech University

## Step 1 - Digital ID (My UT)

*(for current high school students)*

- Already have your Digital ID number (D#) and password? Great! move on to step 2
- Still need a Digital ID number? Go to <https://concurrent.utahtech.edu/> and select APPLY NOW
- Complete the Utah CE State Application
- Within 1-2 business days, you will receive an e-mail with your Utah Tech Digital ID number.

## Step 2- Access to ALEKS

- Go to <https://testing.utahtech.edu/>
- Click on the LEARN MORE option at the home screen under The Professional Testing Center.
- Select ALEKS Math Placement in the red banner.
- Login with your D number and password
- Follow the instructions to pay the one-time \$16.00 access fee to ALEKS.

## Step 3- Practice

- The un-proctored tests and modules are optional; however, they are recommended because you can see what class you are placing into before your “Proctored” attempt at The Professional Testing Center.
- An un-proctored test does count towards your 5 attempts.

## Step 4- Appointment

- We don't require an appointment to sit for a proctored attempt of your ALEKS Math Placement Test. However, you must walk-in up to 2 hours before we close (No Exceptions!) Please check [www.testing.utahtech.edu](http://www.testing.utahtech.edu) for up to date hours for The Professional Testing Center.
- The proctored test will cost \$10 which can be paid upon arrival with a credit/debit card, the testing center does not accept cash.

## Proctored Test Information-

- 30 questions
- 2 hours
- Onscreen calculator only
- \$16 one-time access fee: This gives you access to 5 attempts at the test, which can be either un-proctored (practice) or proctored (official).
- \$10 proctor fee each time a “Proctored” test is taken at the Utah Tech Testing Center (this will also give you an official score report).
